NATURE OF PROBLEM: Please provide a complete statement on the reverse side of this form regarding the nature of the problem and the assistance needed from the office of Senator Richard Burr. Please attach copies of any additional pertinent documents.

Statement:

Dear Senator Burr, I am writing this letter to request your office's help in expediting the approval of my(I-130) application that I have petitioned for my mother currently pending with Potomac Service Center for close to one and a half years. We filed the I-130 application in December 2019 Receipt Number IOE0908082568 We have sent all the required documents. We are desperately waiting for our case to be approved and a visa interview for my mother. I'm and an only child and my recently vaccinated mother is 77 years young. My husband and I have already filed the DS-260 and the affidavits of support proving financial ability. We have no clue why the adjudication on our case is taking so long while cases filed much later than ours are routinely being approved. We would like to request the help of your office to find out what exactly is going on with our case and if possible, push for a faster adjudication. We'd highly appreciate any help that your office can provide in this matter. Sincerely, Esmelda M. Waugh Petitioner Here are more details of our cases: Primary applicant: IRMA GENOVEVA BERMUDEZ ARANDA Country/Region of Origin (Nationality): PERU NVC Case Number: LMA2020811021 Invoice ID Number: IVSCA00001715255
